Restriction on Import of Second Hand Machines

3666. SHRI B.J. PANDA: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) the number of second hand jute machines for jute mills imported during the last six months;

(b) the number of those which are imported from China;

(c) whether there is any provisions in the present EXIM policy to restrict imports of second hand machines;

(d) in what manner the age of the second hand machines is evaluated; and

(e) what is the number of indigenous jute machine manufacturing units in the country?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI RAJIV PRATAP RUDI): (a) and (b) Data on import of second hand machines is not maintained. However, as informed by the custom authority one second hand jute mill machinery worth US $ 74420 was imported from China in the year 2001-2002.

(c) Import of more than 10 years old machineries is restricted w.e.f. 1.4.2000.

(d) Age of machines is determined from the date of manufacture, which should be available on the machine itself as imprinted by machine manufacturers. In case of non-availability of year of manufacture on the machines, concerned Chartered Engineers evaluation regarding age of machines is considered by the importing country.

(e) As per available information, 12 jute mill machinery manufacturers are engaged in manufacture of jute mili machinery. However, since July, 1991 such machinery manufacturers are not required to be registered in the office of the Jute Commissioner.
